REMARKS

The present response is intended to be fully responsive to all points of objection and/or rejection raised by the Examiner and is believed to place the application in condition for allowance. Favorable reconsideration and allowance of the application is respectfully requested.

Applicants assert that the present invention is new, non-obvious and useful. Prompt consideration and allowance of the claims is respectfully requested.

Status of Claims

Claims 51-71 are pending in the application.

Claims 51-71 have been rejected.

Claims 51, 57 and 63 have been amended.

Claims 52, 56, 61, 62 and 68-71 have been canceled without prejudice or disclaimer. In making this cancellation without prejudice, Applicants reserve all rights in these claims to file divisional and/or continuation patent applications.

Claim 57 has been voluntarily amended for clarification only. This amendment does not narrow the scope of the claim, nor is it being made for reasons of patentability.

Applicants respectfully assert that the amendments to the claims add no new matter.

The Telephone Interview

Initially, Applicants wish to thank the Examiner, Kwame BAPTISTE, for granting and attending the telephone interview, with Applicants' Representative, Morey Wildes, Reg. No. 36,968 on July 2, 2007. In the interview, the Examiner has clarified the finality of the office action and indicated that the time is to be reset from the time of the supplementary office action mailed on August 8, 2007.
